## Cake and Cupcake Starting Prices

**Tiered Cakes** - \$4.95/serving for our two layer stacked cakes. Faux/styrofoam tiers receive a 10% serving discount. This is a good option for customers who want a larger cake than the number of servings they need. However, combining faux tiers and kitchen cakes is more expensive than typical tiered cakes.

**Layer Cakes** - \$3.50/serving for Individual two-layer cakes. A 6" round Sweetheart cake starts at \$42.

**Kitchen Cakes** - \$2.75/serving for 2-layer cakes that are iced but not decorated to provide additional servings

**Wedding Cupcakes** - \$3.25 per cupcake (regular), \$2.20 per cupcake (mini). Stand rental available

**Cheesecakes** - \$45 ... 6" (serves 6), \$80 ... 8" (serves 10), \$30/dozen ... Bite-size. Add \$2.20/serving for tiered.
